Arizona Department of Public Safety - DNA Press Briefing

The Arizona Department of Public Safety has received numerous calls from the news media requesting information on DNA testing and the process of analyzing DNA. A press briefing will be conducted Friday, September 22, 2006 at 10:00 A. M. at the DPS Crime Lab, 2102 W. Encanto Blvd., Phoenix to explain the DNA process.

Crime Lab Superintendent Todd Griffith will be conducting the briefing and Phoenix Police Sergeant Andy Hill will be present at the briefing should any questions arise regarding the serial rapist investigation.

Please check in at security on the north side of the DPS Headquarters.
